## **Village Rummage Sale Days-Friday/Saturday, June 24th/25th**

Time to clean out those closets, toy boxes, basements, sheds, garages, etc and set up that rummage sale you have been meaning to hold. The Event Committee will have advertising placed in the local paper and on rummage websites for the above dates with the time frame advertised as, 8am-3pm. These times are optional for your individual sale. The more participants in the Village the more successful individual sales will be so all you need to do is make a few directional street or house number signs to bring those cars to your sale.
